

HIGHLY FAVOURED

Who I have become in you
Is grace beyond all measure
In the light of who You are
Who am I to be found here

Who I have become in you
Is grace beyond all measure
Raised to life and crowned with love
Jesus yours forever

Majesty and mercy meet me in this moment
How can it be that I have been chosen by the King
There's no greater honour
There's no greater treasure
Than to be known and loved by you
I am highly favoured, I am highly favoured

A child of grace I have become
Adopted into favour
Now I sing your Spirit's song
Crying 'Abba Father'

Yesu Atwagala (Jesus loves us)
Tukisinja-Tukutenda (we worship and praise you)
Gwe Katonda Waffe (you are our God)

Now I am a song of grace
Living for your pleasure
Out of ashes, I've become
A child of God forever
